HIGHLIGHTS

Attention was focused on the Mustang victory over Newman Smith, 27-6, and the crowning of Jerri Hutchison as Homecoming Queen. Excitement was obvious in the colorful Mustang spirit. For the second year in a row, the Class of '79 emerged with a winning float!

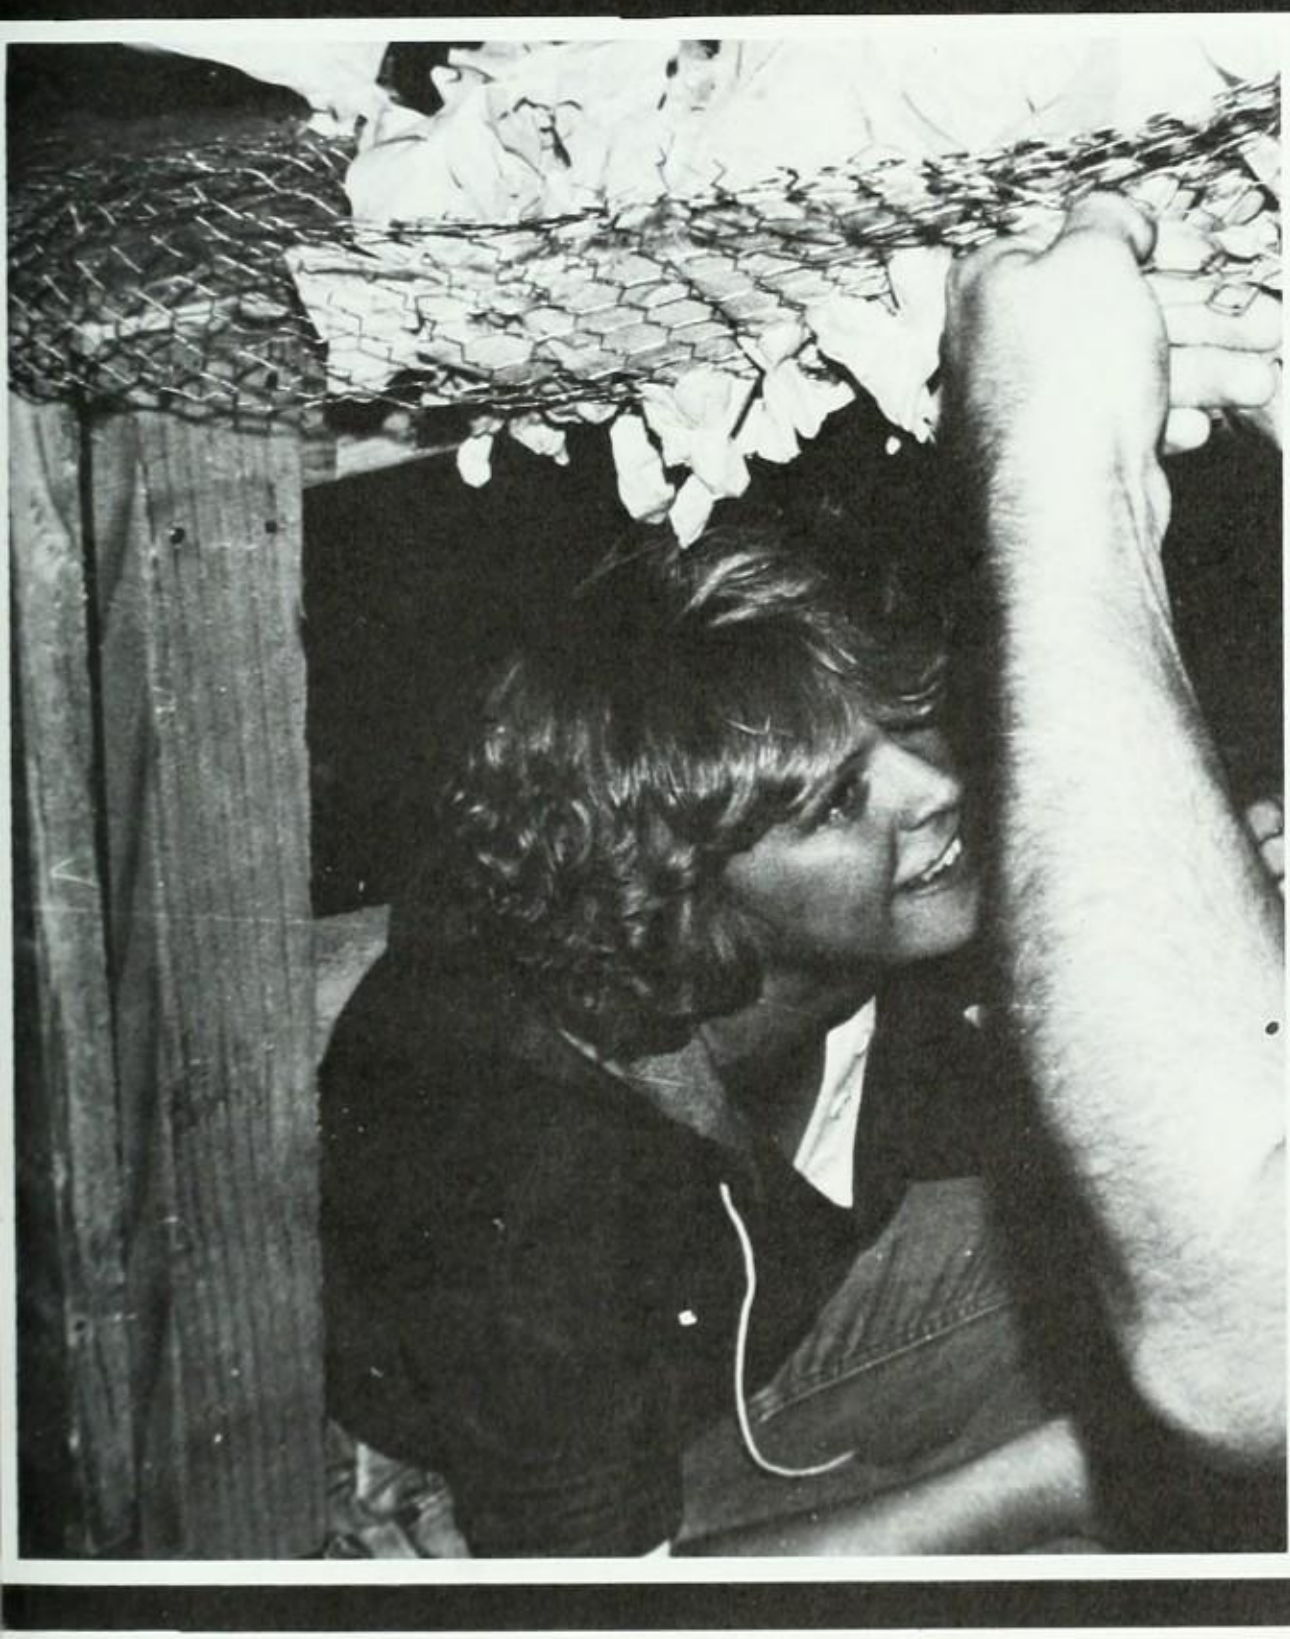
Homecoming was

the season of activity.

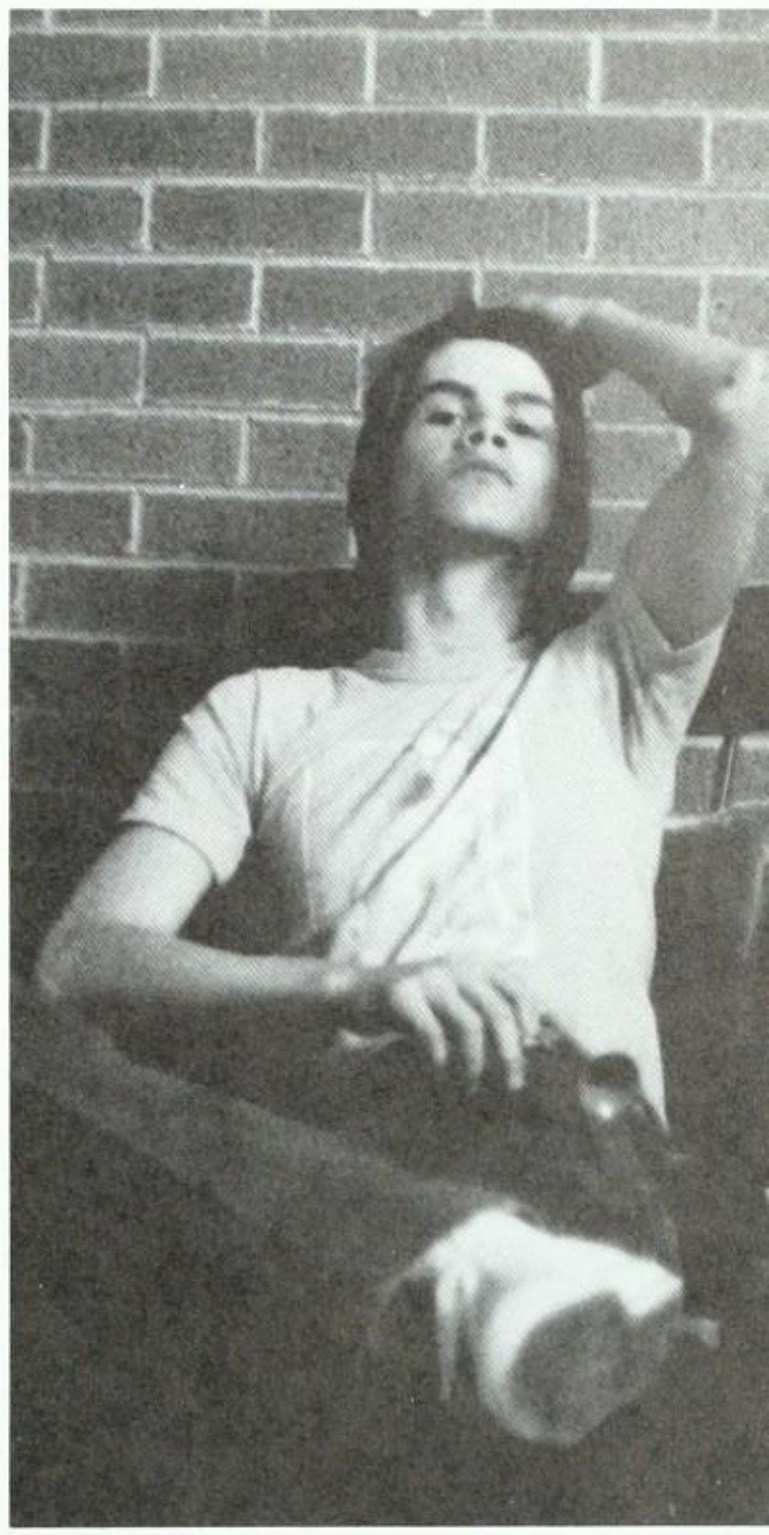
FRIDAYS = SPIRIT DAYS

"Say it loud and clear." With these words the cheerleaders brought us to our feet to yell for the Mighty Mustangs. On Friday mornings, Mustang mania was everywhere: in the halls, in(side) the lockers, and in the gym. Here was the arena for showing our spirit. Go, Red, Go!

GO!
FIGHT!
WIN!



ROCKATHON



The Spanish Club held its second annual rock-a-thon at N.E. Mall. The purpose was to earn money for the convention at San Antonio. In all, 40 rockers held onto their seats from 6 a.m. to 12 a.m. To stay awake the rockers talked to bystanders and shoppers, played games, and listened to music. Weary, but $900 richer, the *estudiantes locos,* gathered their blankets and assorted gear and lugged it back to Grapevine, vowing to avoid rocking chairs for at least a thousand years.

WE IN STRIFE BEWIL'DERED

The Mustangs accomplished much this season, but fell frustratingly short of the playoffs. Grapevine beat every team it played both statistically and physically, but three times was denied the satisfaction of victory. The team completely dominated its old 3A-5 opponents in the first four games and then beat 4A Newman-Smith in the homecoming game. Yet, the Mustangs began to stumble in their first zone game against Rockwall when they were plagued by penalties and mistakes. In the next game against Bonham, the Mustangs had similar problems, making playoff possibilities bleak. Nevertheless, the Mustangs showed their true ability and character against 5th ranked Gainesville, and became the only GHS team ever to beat the Leopards. All championship hopes were shattered in the game at McKinney when the Lions intercepted a last-minute pass and ran the ball back for the winning touchdown. Undaunted, the Mustangs came back to defeat Terrell, ending with a 7-3 season.

J.V. SHOWS ABILITY

The Junior Varsity showed potential by amassing a 7-3 record under the guidance of Coach Richard Tyner. Although the team was generally young and inexperienced, character and desire helped them to overcome their more seasoned opponents.

"It's really tough to keep a good attitude when you play on the J.V.," said Coach Tyner. "You receive little recognition and have to practice against the Varsity. But this team really put it together and came out with a good season."

FRESHMEN WIN ZONE

The Freshmen showed promise in compiling a 7-2 season record and the best record in the North Zone. Size, depth, and attitude contributed to the winning season.

"We had a very good attitude," said Coach Forga. "The team was willing to work hard and was eager to learn. This team has had a winning tradition, and I look for them to develop into a really strong team in the future."

The team's only zone loss was at Gainesville where the Mustangs made a come-from-behind touchdown in the final seconds to close the score 21-22. The Mustangs attempted a two-point conversion for the win but came up short. The hard fought game was a good example of the team's spirit and determination.

I'll drink to that.

The Cross Country teams were somewhat hampered this year by having only a few starters from last year; ten boys and one girl. Nevertheless both teams did well. The boys were fifth in Regionals; the girls, seventh. Two runners, Curtis Barnard and Diana Byrnes made it to the State meet, where Barnard placed fifty-third and Diana placed tenth, a position which put her on the All-State team.

Dear Cyndy (Wonda!)

Well it's been a good year! Including the summer! (Steve Steve Steve) We've had alot of good times to remember. a little reminder of everything that we've been through:

all the times I was grounded just at the wrong times! Remember Steve A.? Remember Jonny Mike and the Zoo. And you know I'll always hate you for not going to Youth Conference with me!

Also, the time we went bowling in the middle of the night!! (Which was almost worth that month I was grounded)

Remember all the Wack Jans-Ans we were come into contact with? "Look at the license!" "55E-915!! It's him! It's him!" Ah yes, we have been through alot you and I! Remember John, Jerry + Cooper St. each night we had no money?! Yes, baby, it's been fun and the best part about it is:

WE'VE LIVED THROUGH IT ALL!!!

Well, anyway, I know that we'll have a good year this year, too. And alot more is to come our way I'm sure. Well, I must close for now. Thank for helping me with all my Work! If it's the last thing I do when I'm 40,000 years old though, I'm going out with R.L. and R.S. !! (So the secret doesn't escape!)

Anyway, good luck in all you do & don't be sick so much this year!

Love Ya Babe,

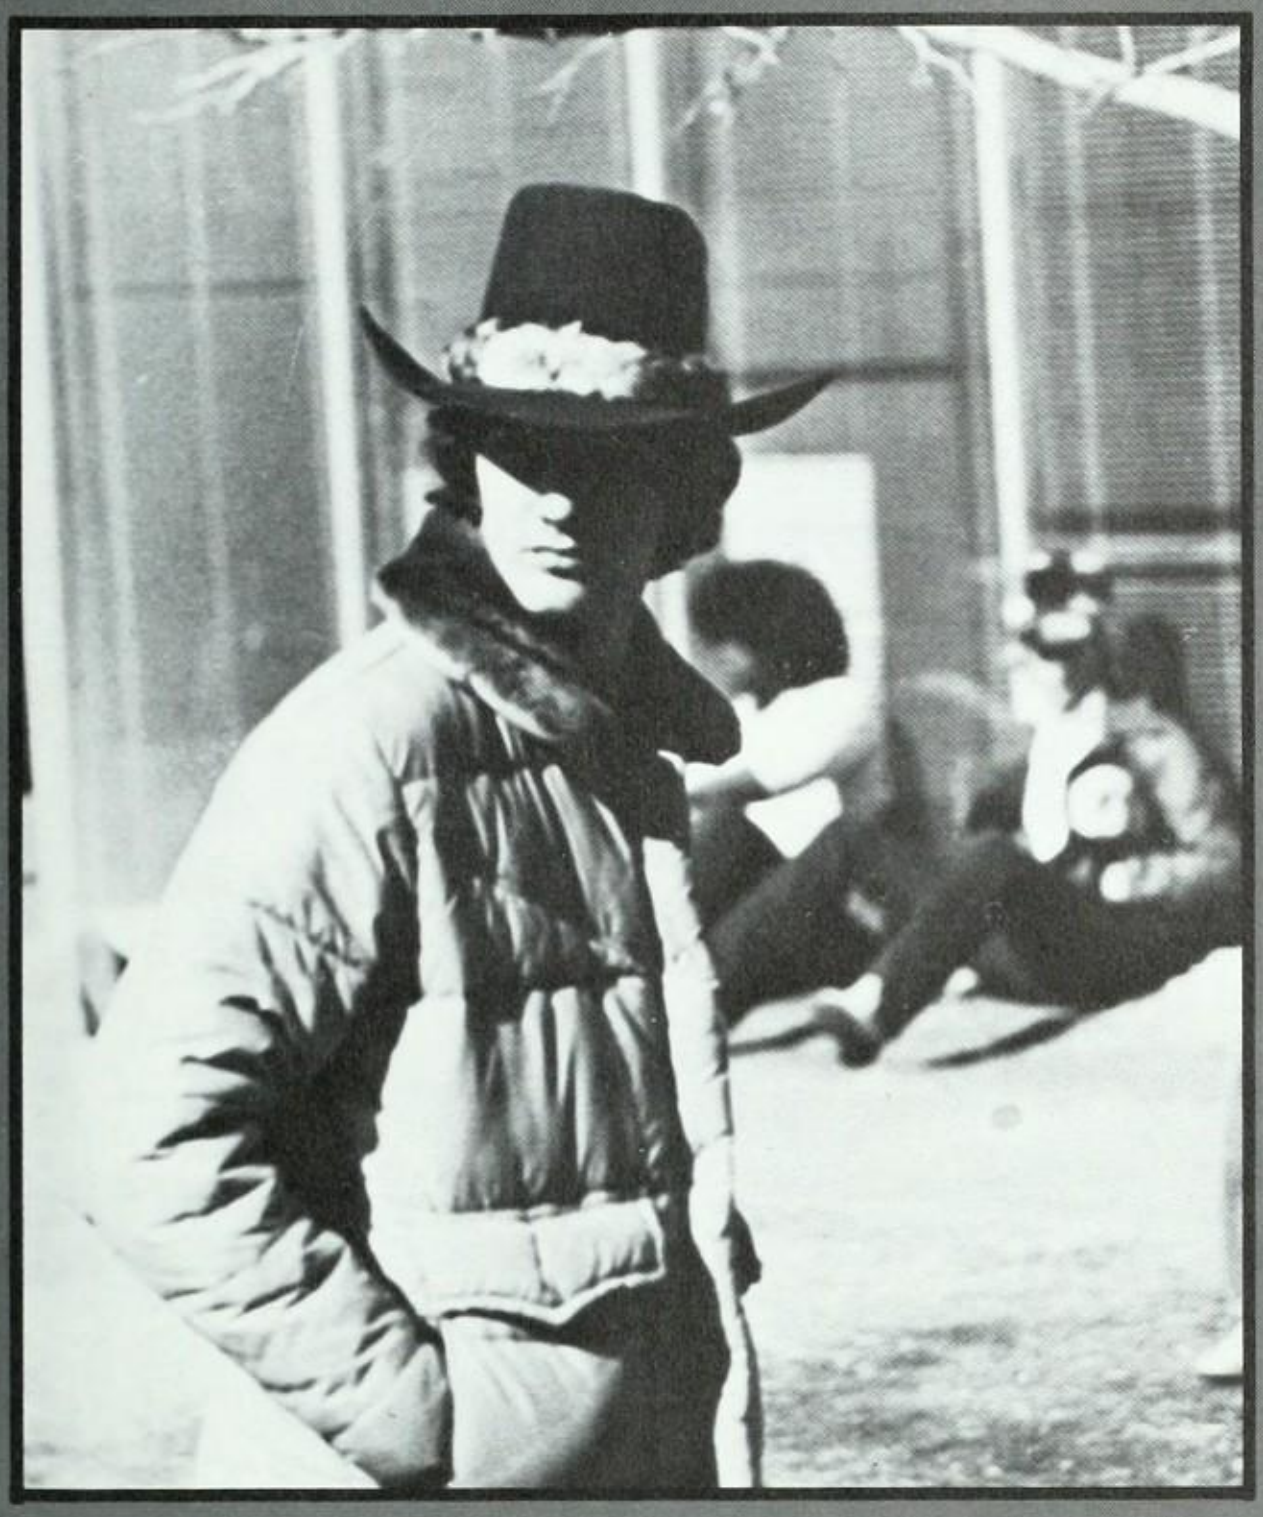
Sr. '80!

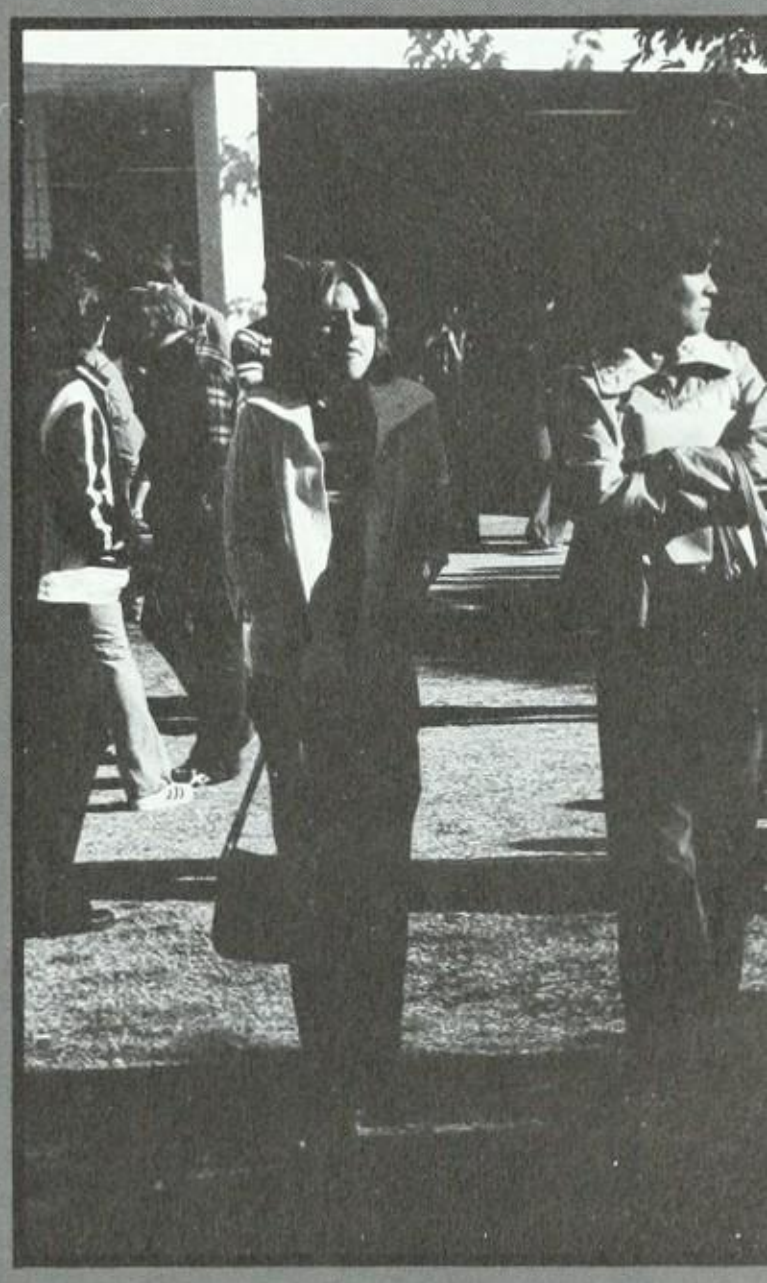
Winter was a

season to enjoy.

BRRR! BRRR!

Winter was cold, wet, icy, and sometimes dreary. Everywhere, coats, gloves, sweaters, and breath turning to fog in the morning air. Icicles seldom hung by the wall. Neither did we. We huddled together or stood alone in the sun. We were strong in the belief that spring would come.





RICK

If rock was big in the 50's, it was even bigger on January 17 when Rick Presley cajoled the student body into becoming a group of screaming rock and roll fans. Even the faculty was forced into action, and certain students felt the call to perform. Well, as someone said, music hath charm.

LIVE, IN CONCERT

We were fortunate to have a variety of top rock groups in the area. Our enthusiasm ran high. Sell-out crowds, watched and listened to the powerful, electric, mind-blowing performances of various popular artists, including Ted Nugent, Freddie Mercury, and Alice Cooper. Nights like these were a big part of the good times of 1979.

VARSITY CAGERS SHOWED IMPROVEMENT

The varsity began the year with few seasoned players and an abundance of youth. The team's inexperience was evident in the first seven games, five of which were lost by less than three points. The team began to jell when they entered zone play.

The Mustangs defeated every team in their zone except McKinney. The Mustangs chances were dashed on February 2, when the McKinney Lions edged Grapevine 77-71 despite Brian Stephens' 31 points, the most points scored by a Mustang player during the season.

Defensive tactics

We almost had it won, but time just ran out.

Varsity had a disappointing year with a record of 9-27. The team was not lacking in ability. They had a good chance to win district, but lost several games with just seconds on the clock. However, the team did not go unrewarded, Leanne Gunter received All-District 2nd team. Honorable mention went to Diana Byrnes, LaNiece Owen, and Vanessa Davis.

GOLF SWINGS

Led by the outstanding performances of junior Mike Hogarth and sophomore Kevin Frizzel, the golf team completed what had to be seen as a successful year by Coach Rob Wylie.
The team, consisting of Billy Pruitt, Lance Gilliam, Mike Hogarth, George Clerihew, Steve Carlin, Kevin Frizzell, and Charlie Weddle placed first in the Rockwall and Grapevine tournaments, second in the Bonham and Gainesville tournaments and third in the McKinney tourney.
Mike Hogarth was the only district medalist with Kevin Frizzel tying for zone medalist.

LATIN CLUB

The Latin Club took time out from its studies of Hercules and Aeneas to celebrate many Roman holidays, such as Monday, Tuesday, Wednesday, Thursday and Friday. The club raised money for its activities by sponsoring a spookhouse at Halloween and selling mums at homecoming. The group also participated in the regional Junior Classical League contest at Lake Highlands High School and the State contest at N. Mesquite High School. Winners in the regional and state contests were Debbie Kennemer, Doug Mapel, Kristan Cranmer, Kimie Weaver, Kelly Gibson, Alicia Dunn, Carleen Tindell, and Mark McIlheran.

CAVE CAT, A WINNER

Cave Cat, a satire by Fred Ainsworth, was our first contest play to advance to district in the last five years. The characters were such felines as lions, tigers, and leopards. They epitomized humanity and its frailties.
Stars of the production were Mark Green, voted best actor; Kimie Weaver and Sheila Pound were named to the all-star cast.

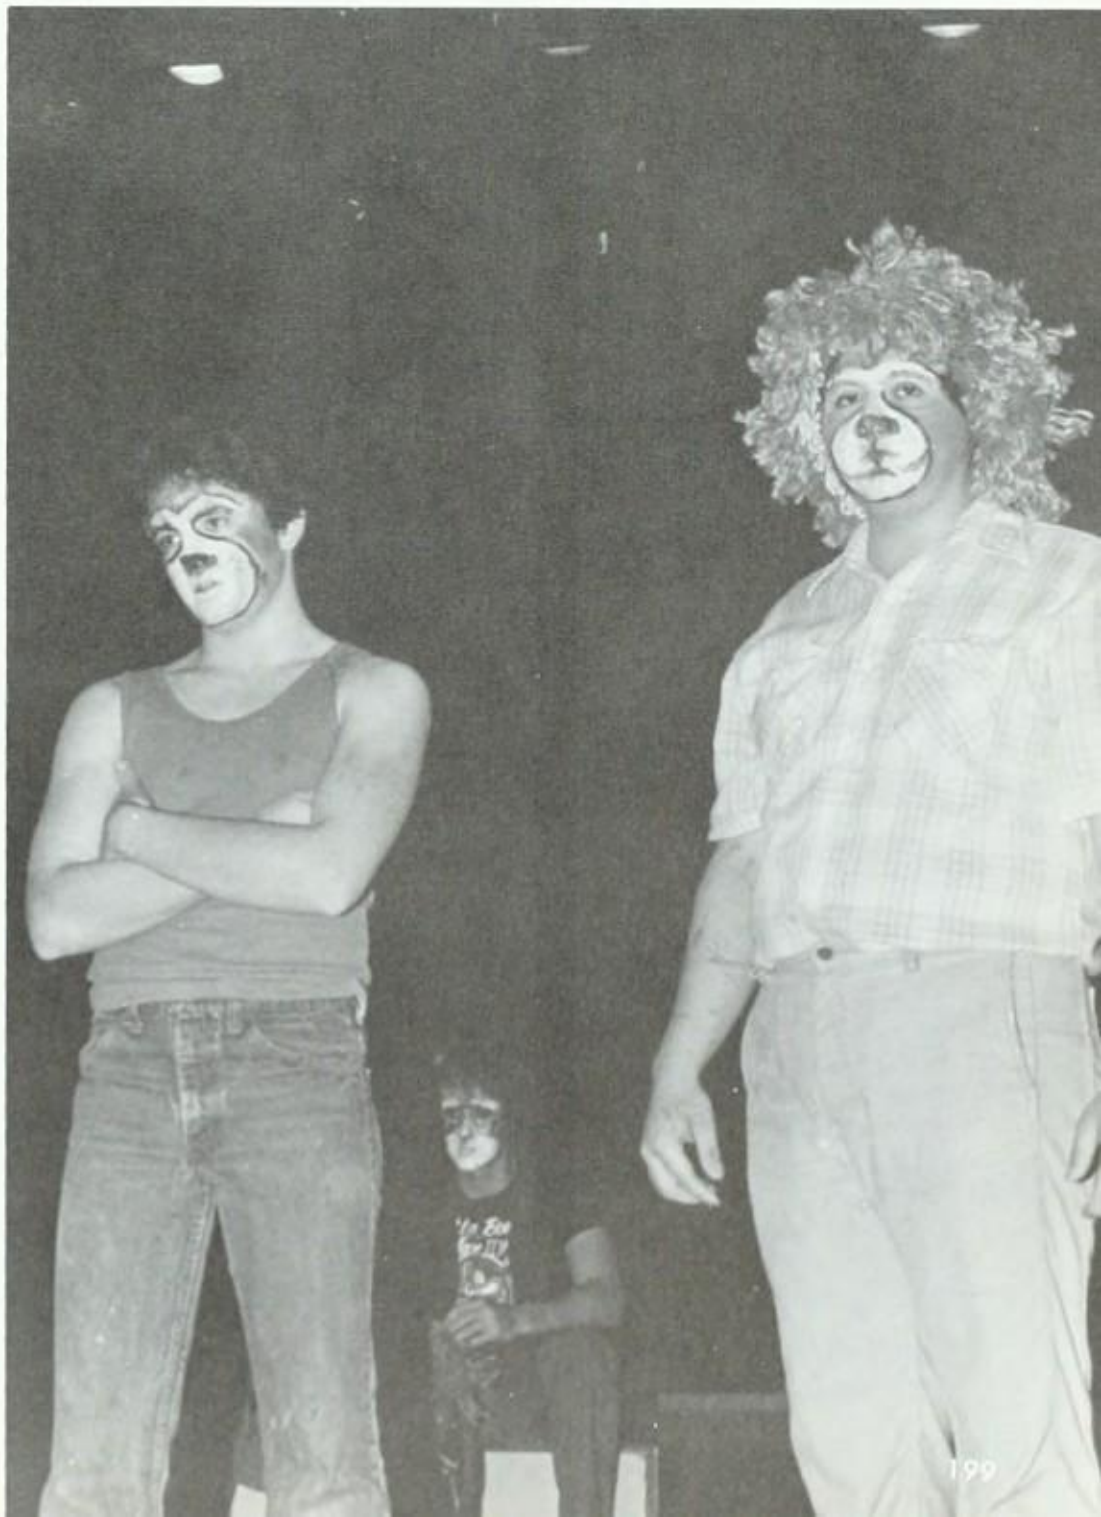
(a) David Stovall as Ziggy the Tiger.

(b) Sheila Pound and Kimie Weaver as Zelma and Zula.

(c) A winning combination.

(d) Portraying the part as female lions, Karianne Sokulsky and Cathy Evartt.

(e) Mark Green as the Cave Cat, and Mark Smouse as Papa Lion.



The Choirs, with the help of the Fillies, put together a variety show which included solos and groups.

The show was a success, and the choir raised enough money for its trip to Galveston, where the group participated in the Southwest Choral Contest.

(a) "Yes sir, that's my baby!"

(b) "Hiccup!"

(c) "Floy-doy"

(d) I think I'm going to be sick.

Despite the lack of exceptional sprinters, the freshman track team had an excellent season. In six meets the thin clads won one, were runners-up in three, and took third place twice and were barely edged out by Ennis in the district meet. Coaches Terry Forga and Jimmy Hill attributed the success to the team's competitive spirit and camaraderie. "Everyone on the team gave his best effort and worked to improve himself," said Coach Forga.

The tennis team began the year with many questions unanswered. How could a team which lost 7 of its 12 starters from the previous year expect to better its record. The answer was simple, aggressive tactics. The netters bested the dual match record 28-6, won several tournaments and titles and qualified three netters for state. Terry Smith became the first girl in GHS tennis to qualify for state while Kevin Lewis and Steve Miller qualified for the state meet in boys doubles.
